Incline Reserves, Incorporated
P. O. Box 1915
Farmington, New Mexico 87499-1915

Dear Mr. Delventhal:

Enclosed are your Applications for Permits to Drill (APD's) the wells listed
on the enclosed list. Due to no reports of drilling operations commencing
prior to expiration, the subject APD's have expired and are returned. Any
expired APD may be resubmitted at any time when definite drilling plans are
formulated.

You are required to request surface rehabilitation instructions from this
office if construction activities have occurred on either of the proposed
drill sites. If this office does not receive comment within 30 days, it will
be presumed that no construction occurred. Later discovery that construction
activities have occurred, may result in assessment of liquidated damages.
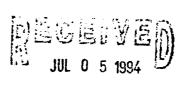

Sincerely,

s/s Ken Townsend
