13. Describe Proposed or Completed Operations

It is intended to commingle the subject well in the Blanco Mesaverde (Pool Code 72319) and the Basin Dakota (Pool Code 71599). The production will be commingled according to Oil Conservation Division Order Number 11363. Allocation and methodology will be provided after the work is completed. Commingling will not reduce the value of the production.

Notification of the intent to commingle the subject well was sent to all interest owners via certified mail on October 10, 2000. No objections were received.
