Attention: Mr. T. M. Curtis

Gentlemen:

Reference is made to your letter of February 10, 1964, wherein you request authority to complete your E. H. Pipkin Well No. 9 located in Unit N of Section 35, Township 28 North, Range 11 West, Basin-Dakota Gas Pool, San Juan County, New Mexico, as a tubingless completion. It is our understanding that in order to effect a casing repair on the subject well, it is proposed to run a full string of 2 7/8 inch tubing inside the existing 4 1/2 inch casing, land it just above the Dakota perforations and cement it to the surface.

The completion of the subject well in the above-described manner is hereby approved.

Very truly yours,

A. L. Porter, Jr.  
Secretary-Director
