R & G Drilling Company
C/O P.O. Box 254
Farmington, New Mexico 87401

Gentlemen:

By Sundry Notice received February 19, 1980, you advised us of your intention to abandon the location of Well No. 69 Krause, ~~NW1/4~~ sec. 29, T. 28 N., R. 11 W., Lease No. Santa Fe 079863. Application for Permit to Drill was approved September 5, 1978. Approval of the Application for Permit to Drill is rescinded as of this date and returned herewith.

If any construction of access road and well pad has been performed, you should file a Sundry Notice of your intention to rehabilitate the construction.

If in the future, you decide to drill a well at this location, it will be necessary to file a new application.

Sincerely yours,

James F. Sims
District Oil and Gas Supervisor
