Dear Mr. Roney:

ARCO Oil and Gas Company, Division of Atlantic Richfield Company, requests your consent and approval of the referenced well at the stated location and as more fully shown on the attached plat.

Pursuant to the Oil Conservation Commission of the State of New Mexico it is necessary to obtain the consent of all offset operators when an application has been filed for an unorthodox location. The stated location is located closer than 790 feet to the outer boundary of the quarter section, therefore making it an unorthodox location.

I would appreciate it if you would sign and date the consent and approval form contained in this letter, and return one executed and dated copy of the letter to me in the enclosed self addressed stamped envelope and keep the other copy for your records. If you have any objections or questions concerning this request, please call me at your earliest convenience.

Very truly yours,

W. A. Walther, Jr.
Operations Manager
