

- B. If new facilities are contemplated, in the event of production, show:  
(cont'd)
- (4) Protective measures and devices to protect livestock and wildlife.

Woven Wire fences of the pit areas and flagging, if necessary.

- C. Plans for rehabilitation of disturbed areas no longer needed for operations after construction completed.  
Restoration of the drill site and tank battery areas will be reshaped to conform with the topography. The top soil will be redistributed at the proper time. The sites will be reseeded as per the recommended seed mixture.

#5 Location and Type of Water Supply:

- A. Show location and type of water supply either on map or by written description.  
The water supply will come from the San Juan River near Bloomfield, NM, and hauled to the well site by a Jobber.
- B. State method of transporting water, and show any roads or pipelines needed.  
Water will be hauled to location by a Jobber.
- C. If water well is to be drilled on lease, so state. (No APD for water well necessary, however, unless it will penetrate potential hydrocarbon horizons).  
No water well will be drilled.

#6 Source of Construction Materials:

- A. Show information either on map or by written description.  
Construction materials will be native soil or purchased from a Jobber and hauled to the well site by same.
- B. Identify if from Federal or Indian Land.  
None
- C. Describe where materials, such as sand, gravel, stone and soil material, are to be obtained and used.  
Any needed materials will be purchased from a Jobber and hauled to the well site.
- D. Show any needed access roads crossing Federal or Indian Lands under Item 2.  
None

#7 Methods of handling Waste Disposal:

Describe methods and location of proposed containment and disposal of waste material, including:

- |                                  |             |
|----------------------------------|-------------|
| (1) Cuttings                     | Reserve Pit |
| (2) Drilling fluids              | Reserve Pit |
| (3) Produced fluids (oil, water) | Frac Tanks  |
