13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Regarding our previous report concerning workover attempt and possible plugging, we have agreed to turn over the borehole, as is, to an operator who has Pictured Cliffs rights. The PC operator has agreed to plug the well up to the point of the problem, an approximate depth of 3000 feet below surface, and to only complete the Pictured Cliffs formation in this borehole. The PC Operator will notify you of their intentions.
