Gentlemen:

Exception to No-Flare

Gallegos Canyon Unit No. 230E
Federal Lease No. SF-078904
SW/SE Section 23, T28N, R12W
San Juan County, New Mexico

Amoco Production Company requests an exception to the No-Flare rule for the subject well. At this time, we are negotiating a gas sales contract for the Gallup formation of the well. Until such a contract is finalized, we would like to restrict the gas volume to be vented to 30 mcf/d. Based on the gas-oil ratio,* we would then be able to produce 11-12 barrels of oil a day.

Thank you for your time and cooperation.
