RE: Gallegos Canyon Unit

Dear Mr. Beecher:

BHP Petroleum (Americas) Inc., as the designated Suboperator of the Gallegos Canyon Unit, has heretofore filed drilling permits for additional development within the unit area. These permits were subsequently approved by the BLM, but prior to drilling, our interest was conveyed to Amoco Production Company resulting in BHP's resignation as Suboperator and Amoco's assumption of the duties of Unit Operator as to all depth.

As a result of the foregoing BHP would request any approved drilling permits reflecting BHP as operator be corrected to reflect Amoco Production Company as operator.

Yours sincerely,

Robert J. McNeil
