Gentlemen:

O  
Tenneco Oil Company is operator of the Florance #24, producing in the Blanco Mesaverde Field. We propose to deepen this well and dually complete it as a Mesaverde - Dakota producer.

The acreage dedicated to this well is the E/2 of Section 23, T. 29 N., R. 9 W., San Juan County. As a result of a re-survey of this township, Section 23 was found to be irregular in size and the E/2 contains 296.5 acres.

P  
Tenneco requests approval of the non-standard proration unit for both zones of this well.

Yours very truly,

TENNECO OIL COMPANY
