13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Amoco is asking for continued shut in status on this well. It has little potential for returning to production and we intend to P&A in 1994. However, we are investigating recompleting the A L Elliot C 1A, a low volume MV well in the same area to the Pictured Cliffs to replace this well.
