Administrative Order NSL-899

Gentlemen:

Reference is made to your application for approval of a non-standard location for your Jacques Gas Com "C" Well No. 1A to be located 2590 feet from the South line and 990 feet from the West line of Section 6, Township 29 North, Range 9 West, NMPM, Blanco Mesaverde Field, San Juan County, New Mexico.

Waivers having been received from the offsetting operator, the waiting period may be dispensed with in this instance.

By authority granted me under the provisions of Rule 3 of Order No. R-1670, the above-described unorthodox location is hereby approved.

Very truly yours,

JOE D. RAMEY,
Secretary-Director

Dear Sirs:

Enclosed for you are

two copies of

the report of the Commission on the Conservation of Oil and Gas, which was prepared by the Commission in accordance with the provisions of the Oil Conservation Act of 1975. The report contains a detailed analysis of the oil and gas resources of the United States and a plan for the conservation of these resources. It also contains a number of recommendations for the improvement of the oil and gas industry.

The report is a valuable document which should be read by all interested parties. It is also a useful reference for the oil and gas industry. I hope that you will find it of interest.

Very truly yours,
Commissioner of the Oil Conservation Commission
