13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Amoco Production Company has restaked the Annie L. Elliott D #1B. This location was changed in response to your letter dated November 6, 1998 wherein you notified us that the location qualified for the National Register of Historic Places. Our intentions were to restake this well as close to the original staked location, but due to the terrain we were unable to do so. Therefore, we are requesting that you cancel the Annie L. Elliott D #1B which was to be located 2450' FNL-790' FWL in Section 12-T29N-R9W, API #3004529720 and we will resubmit this well at a different location at a later date.

If you have any questions please don't hesitate to contact Gail Jefferson.
