

Mr. Frank Chavez  
New Mexico Oil Conservation Division

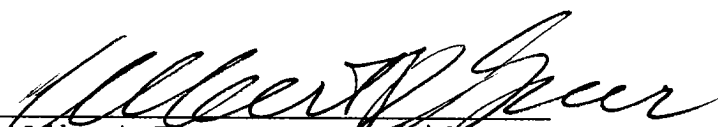

August 3, 1990  
Page No. 2

which we have now elected to move the equipment off the location, pursue the title situation and see if we can place the responsibility where it belongs. Failing to do this, we will move in adequate equipment and plug the well. We do not know how long it will take to pursue the legal end of this but we assume that we will have some kind of an answer within a few weeks. We will keep you posted.

Yours truly,

BENSON-MONTIN-GREER DRILLING CORP.
