TITLE PETROLEUM ENGINEER DIST. NO. 3

This form is to be filed in compliance with RULE 1104.

If this is a request for allowables for a newly drilled or deep well, this form must be accompanied by a tabulation of the data tests taken on the well in accordance with RULE 111.

All sections of this form must be filled out on completion of all operations on new and recompleted wells.

Fill out Sections I, II, III, and IV on all existing wells, even if no operations have been conducted since last report.
