New Mexico Oil Conservation Commission
Santa Fe, New Mexico

Gentlemen:

As your records will indicate, on January 16, 1948, Southern Union Production Company filed its notice of intention to drill a well in the SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 29, Township 29 North, Range 11 West, N.M.P.M., San Juan County, New Mexico. This notice stated that the well was in the Kutz-Fulcher Field and was to be located 2310 feet South of the North line and 1650 feet East of the West line of Section 29 and that the surface owner of the drilling site was Joe Mangum, Bloomfield, New Mexico.

While the description with respect to the location of the well is correct, we have found that the surface owners of the drilling site are M. G. Cooper of Alvin, Texas and L. G. Stearns of Artes, New Mexico. In order to prevent possible confusion in the future, we are redesignating this well as "Southern Union Production Company-Cooper Well No. 1-S" and it will be greatly appreciated if you will change your records accordingly.

Since the well was drilled on a communitized tract embracing lands of Joe Mangum, Cooper and Stearns, and others, this change in name is merely for clarification only and will not affect the various interests in the well.

If additional information is needed, please let us know.

With thanks, I am

Yours very truly,

Quilman B. Davis
