Dear Mr. Slaughter:

I approved form C-104 in error by which you assumed operation of the POJ well.

It is illegal for you to own and operate an oil or gas well without a plugging bond.

Cause one of the enclosed bond forms to be executed immediately and return to me.

Be sure it is signed by a New Mexico Resident Agent so that it will be legal in the state.

If there are questions, please contact me.

Yours very truly,

A. R. Kendrick
