ORDER NO. R-1768
Request for Cancellation

New Mexico Oil & Gas Conservation Commission
1000 Rio Brazas Road
Aztec, New Mexico

Gentlemen:

We were authorized by your Order No. R-1768 for a slim hole oil-gas dual completion in the Gallup and Dakota formations on our H. J. Loe Federal "B" Well No. 3, Section 23, T-29-N, R-12-W, San Juan County, New Mexico.

Since coring and logging information revealed that Gallup prospects were very poor, the Gallup completion attempt was abandoned. The well was then completed as a Dakota producer through 4-1/2" casing.

It is therefore respectfully requested that Order No. R-1768 be cancelled.

Yours very truly,

TEXACO INC.
