Gentlemen:

We have received your assignment of oil and gas lease, showing dedicated acreage on #1 Cassady well in SE $\frac{1}{4}$ of Section 19, Twp 29N, Rge 11 W, San Juan County. Your well has been placed on prorationing schedule for a dedicated acreage of #20 acres, with an acreage factor of .75. We have done this because we cannot assign acreage across one-half section lines to any well without proper notice of hearing. If you wish to include the SE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 19 in your dedicated unit, it will be necessary to bring the matter to hearing between now and May 1, 1955.

Yours very truly,

Emery C. Arnold
Supervisor, District #3

ECA/lb

cc - Mr. Elvis Uta

PS - It will also be necessary for you to immediately file C-104, C-110 and Gas Well Plat outlining dedicated acreage, as requested previously. We will enclose another supply of the above-mentioned forms.

We have received your assignment of 10 oil and gas leases, showing dedicated acreage on 71 Gassaway well in SW 1/4 of Section 19, T2N, R2E, S10E, San Juan County. Your well has been placed on production schedule for a dedicated acreage of 10 acres, with an acreage of 71. We have done this because we want to assign acreage to one-half section lines to get well without proper notice of dedication. If you wish to include the SW 1/4 of Section 19 in your dedicated unit, it will be necessary to bring the matter to hearing between now and May 1, 1952.
