Attention: Mr. John P. Wiedermer

Administrative Order NSL-124

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Sanchez Well No. 1, to be located 2180 feet from the South line and 1220 feet from the West line and in the NW/4 SW/4 of Section 19, Township 29 North, Range 10 West, San Juan County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the SW/4 of said section and that said well is to be projected to the Fruitland formation.

Inasmuch as you furnished waivers from the offset operators, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Rule 104 (f) of the Rules and Regulations of the New Mexico Oil Conservation Commission, you are hereby granted an exception to Rule 104 (b)-2 for the above described unorthodox well location.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
