Dear Smitty:

I am sure you are aware, the Aztec Totah Unit #10 has a casing leak. I have been told that J. D. Hicks was supposed to take over operation of the Aztec Totah Unit the first of November.

I would suggest you get with J. D. and determine who will be responsible for remedial action. We would like to see this leak repaired as soon as possible.

Very truly yours,

Charles Gholson
Deputy Inspector
