Dear Roy:

We are in the process of checking the acreage dedicated to each well in the San Juan Basin.

The attached copy of Order R-688 sets out a drill tract of 80 acres, being the South half of the Southwest quarter of Section 13 for the referenced well.

We have no record of any agreement whereby more acreage has been added as provided in paragraph 2.

Please advise us of the acreage dedicated to this well.

Yours very truly,

A. R. Kendrick Engineer, District #3
