Dear Mr. Lane:

Regarding your request for information relative to the ownership of the F.B. Marshall #1 Random well located in San Juan County, New Mexico, I refer you to a letter from this office dated May 1, 1958.

We do not know the extent of Mr. Marshall's interest in the above mentioned well.

The only other source which might supply the percentage of ownership is El Paso Natural Gas Company, Box 1492, El Paso, Texas.

If we can be of further assistance, please contact us.

Yours very truly

A. R. Kendrick

Gentlemen:

On April 24th we wrote you stating that we were attempting to establish the ownership of Ransom #1 producing gas well located at San Juan, New Mexico. A Mr. F. B. Marshall has given us a mortgage on his share of this well. We have contacted the County Clerk of San Juan County and they were able to help us somewhat on this matter but suggested that we write you to get more information.

Any information you can give us on the above subject would be appreciated.

Yours truly,

A. C. Lane  
Asst. Credit Manager
