Dear Sir:

Enclosed find Forms C-101. Please cause these forms to be submitted for your #1 McInane-Allen well located in Section 1-29N-12W.

Form C-128 revised must accompany Form C-101. The acreage ownership and dedication must be complete but it does not have to be certified by a surveyor.

If any work has been performed without an approved copy of Form C-101, this act is in violation of the Rules and Regulations and must cease at once and must so remain until you have an approved copy of Form C-101 in your possession.

Forms C-103 submitted in lieu of Form C-101 are herewith returned.

If we may be of any service, please contact us.

Yours very truly
