Gentlemen:

RE Notice of Intention To Drill On
Devonian Gas & Oil #1 Federal,
NW $\frac{1}{4}$ Sec. 4-29N-12W

Reference is made to your letter of May 27, 1959,
regarding the approval of the Notice of Intention To Drill
the above well.

We have answered the question regarding ownership
and have hatchured in red the area of the northwest quarter
of Section 4, T 29 North, Range 12, West, that is under
lease by Devonian. We are endeavoring to locate the owner
of the northeast quarter of the northwest quarter; so that
we can attempt to arrange for a communitization of the areas
into a non-standard unit.

The number of bags used in connection with the
cementing of the surface casing was 135 BAGS

We are proceeding with the drilling of the well,
and it is our understanding that in the event we cannot
form a non-standard unit, our production will pro-rated
accordingly. be /

We hope that the foregoing will enable you to
forward us approval of the Notice Of Intention To Drill.

Very truly yours,

DEVONIAN GAS & OIL COMPANY
