I, JOE D. RAMEY, Secretary-Director of the New Mexico Oil Conservation Commission, hereby certify that the Oil Conservation Commission is the state regulatory agency having jurisdiction over the drilling, spacing, completion and production of oil and gas wells, and over all matters relating to the conservation of oil and gas.

I further certify that I have examined the proposal of Manana Gas, Inc. to drill the following well for development of the Aztec-Fruitland Pool pool:

Gigi Well No. 1, Unit M, Section 24, Township 29 North, Range 11 West, San Juan County, New Mexico

and find that this is a necessary additional well or completion operation into the subject reservoir.

JOE D. RAMEY,
Secretary-Director
New Mexico Oil Conservation Commission

Dated: February 7, 1978
