This form is to be filed in compliance with rules and regulations.
If this is a request for allowable for a newly drilled or deepened well, this form must be accompanied by a calculation of the net oil tests taken on the well in accordance with Rule 5.11.
All sections of this form must be filled out accurately for a well on new and re-completed wells.
Fill out only Sections I, II, III, and IV for a request of a well name or number, or transportation of other such items of information.
Separate forms must be filed for each unit in a commingled well.
