STATEMENT OF CASE - OPPOSITION OR OTHER PARTY

Alpine Oil & Gas Corporation will not be able to attend the hearing. Alpine Oil & Gas Corporation respectfully requests that Texaco demonstrate the following to the New Mexico Oil Conservation Division before this application is approved:

1. That cross flow between the Pictured Cliffs and Dakota will not occur when the back pressure on the formations is changed by:
 - a. pumping off the water.
 - b. reduction of line pressure at meter.
 - c. installation of a compressor.
2. That the production rates for the Pictured Cliffs and Dakota established in the application are representative of the actual rates for the respective zones under the three changes in back pressure stated in paragraph 1 above.

This Pre-Hearing Statement is respectfully submitted by Alpine Oil & Gas Corporation.
