P Romero Gas Com A No. 1A  
SE/SE Section 27, T29N, R10W  
San Juan County, New Mexico

Dear Mr. Chavez,

This is to inform you of our intention to haul drilling fluids from the reserve pit of the above referenced well to the reserve pit of the State Gas Com BF No. 1E located in the NE/SE of Section 16, T29N, R9W.

The pit for the Romero Gas Com A No. 1A will be smaller than is needed due to restrictions of topography and cultivated fields. The pit built for the State Gas Com BF No. 1E is 100'x 100', large enough to accommodate the needs of both wells.
