Dear Sir:

The form C-128 which is attached to the Notice of Intention to Drill for your #1 Scamhorn well indicates 320 acres are dedicated, and only the SW $\frac{1}{4}$  is colored. We are unable to tell which half section you intended to dedicate to this well.

If you will send us this information we will complete your plats before distributing them.

Yours truly,

Emery C. Arnold

Dear Mr. Brown:

Dear Sir:

The form (O-10) is attached to the letter of transmittal  
to fill in your oil conservation work. It is a form  
designed to be filled in by the owner of the oil property  
and will show the oil conservation work done on the property.  
If you will fill in this information it will help us to  
keep better records of the work done.

Sincerely,  
J. H. Brown

Very truly,  
J. H. Brown
