Dear Sir:

We have been forwarded one copy of Form C-101, Application for Permit to Drill along with two copies of Form C-102, Well Location and Acreage Dedication Plat for a well located in Section 2, Township 1S Range 1E, Rio Arriba County.

Our rules require that 5 copies of Form C-101 be submitted along with 3 copies of Form C-102. We also note that you have neglected to outline the acreage to be dedicated which I presume would be the SW $\frac{1}{4}$ SE $\frac{1}{4}$ Section 2. Also, please answer the questions at the top of Form C-102 and sign the Certification for the Operator on all copies. We have been notified by our Santa Fe Office that your bond has been approved and we will approve your Application to Drill as soon as it has been properly completed and returned.

Under separate cover we are sending a supply of Forms and a book of New Mexico Oil Commission Rules and Regulations for your convenience.

Yours very truly
