Kind Sir: -

In regard to letter July 11th 1967 from
Mr George M. Hatch, about plugging hole
T 1 S - R 2 E Martin & Borders Survey
Rio Arriba Co., N. Mexico, near Chama, N. M.,
Quinlan Well no 1.

The hole is only around 275' deep and
every thing was moved off around a year ago
Hatch was supposed to finish it but never
did. To verify depth of hole Contact

Q. H. Parker (Driller) 2404 E 23rd Farmington
N. M. I can't see any thing to plug.

Yours Truly
Ernest M. Caywood
