Attn: Mr. Paul Harr

Dear Mr. Harr:

Please use the enclosed forms C-103 to report the present status of the drilling operations of the Chama Drilling Company #1 Quinlan well located 1250 from South line and 700 from the East line of Section 3, T15, R2E, Martin and Border Survey, Rio Arriba County New Mexico.

Also submit a statement of intention, complete with expected dates for any future activity on this well.

The enclosed photograph was made at 2:00 P.M. July 14, 1966. The well has not been properly plugged and abandoned, but the drilling rig has been removed.

An early reply will be appreciated.

Yours very truly

A. R. Kendrick
Engineer, District #3
