Durango, Colorado 81301

July 12, 1979

Amoco Production Company
501 Airport Drive
Farmington, NM 87401

Gentlemen:

L
On July 11, 1979, this office received Application for Permit to Drill for Well No. 68 Rosa Unit at 1850 feet from south and 790 feet from west lines of section 17, T. 31 N., R. 5 W., NMPM, Rio Arriba County, New Mexico, on Federal oil and gas lease S.F. 075769. This location appears to be acceptable, and the Application for Permit to Drill will be approved when it is in order.

Application for Permit to Drill this well at 2220 feet from south and 850 feet from west lines of section 17, could not be approved and is being canceled and returned to you unapproved.

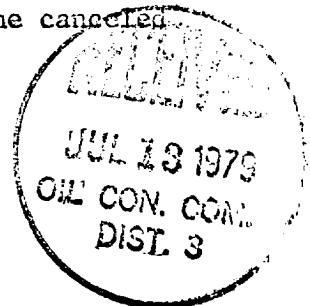

Application for Permit to Drill this well at 1100 feet from south and 1650 feet from west lines of section 17, could not be approved and is being canceled and returned to you.

Construction of access road and well pad either of the canceled locations had not commenced.

Sincerely yours,

(Orig. Sgd.) C. A. BARRICK

Carl A. Barrick
Acting District Engineer
