Denver, Colorado 80202

Gentlemen:

Enclosed is your May 12, 1981 request for approval to change plans for well No. S2 Rosa Unit, NE 1/4 SW 1/4, sec. 9, T. 31 N., R. 4 W., Rio Arriba County, New Mexico, lease No. Santa Fe 078883.

Approval is granted to set 10 3/4" surface casing ± 350' and cement to surface, and set 4 1/2" production casing from T.D. to surface with cement to cover the Dakota, Gallup, Mesaverde, Pictured Cliffs, and Fruitland formations. Approval is granted to circulate Angel from below the bottom of the Ojo Alamo formation to 500' above the top of the Ojo Alamo formation.

Sincerely yours,

James F. Sims
District Oil and Gas Supervisor
