Re: Gonzales 13 #1 I-13-31N-1E
Gonzales 18 #1 M-18-31N-1E

Dear Mr. Smith:

As I am sure you recall, I asked you to send us status reports on the referenced wells on 1-15-87. We have had no reply from your company. You need to file a spud report and a status report on the Gonzales 13 #1. TA expired on the Gonzales 18 #1 10-17-86 and we also require a status report on it.

You are hereby directed to file these delinquent reports within 10 days. Failure to comply will result in a case being called for Cat Creek Energy Co., Allied Fidelity and Insurance Co., and all other interested parties to appear and show cause why the referenced wells should not be plugged and abandoned in accordance with a Division approved plugging program.

Yours truly,

Charles Gholson
Deputy Oil & Gas Inspector
