Dear Mr. LeMay;

**RECEIVED**  
APR 27 1989  
OIL CON. DIV.  
DIST. 3

Blackwood & Nichols Co., Ltd. requests administrative approval of an exception to the footage requirements of Rule 7, R-8768 for the subject well, located in the Basin Fruitland Coal Pool.

This request is for exception due to topography. A Vicinity Map and C-102 are attached for your reference. This location was staked to take advantage of the existing well pad and minimize construction impacts to Navajo Lake State Park.

The east half of Section 36, T31N, R7W, will be dedicated to this well. All operators of offset proration units have been supplied a copy of this request by certified mail.

Your prompt consideration of this request is appreciated.

Sincerely,

William F. Clark  
Operations Manager  
Blackwood & Nichols  
Co., Ltd.

**Waiver of Objection**

Northwest Pipeline Corp. hereby waives objection to the proposed unorthodox location of the Northeast Blanco Unit No. 483.
