12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The abovementioned well is located on a game restricted area. Phillips is proposing to install a compressor on location and the scope of the work is as follows:
(verbal approval was given by Ernie Busch and Bill Blackard (BLM) 12-3-96) This note is for record, only).

1. Haul out gravel & build a pad for the compressor.
2. Haul out and set the compressor.
3. Dig and install lines between the wellhead, dehy, and compressor and meter run. (including welding & x-ray).
4. Work will be done in the daylight hours only.
5. The work will last approx. 5 days. Would like to move in as early as 12-5-96 and be finished on or before December 13, 1996.
6. Work will be done only on existing well pad.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
