I don't know Ernie's format for this but here goes.

We recommend approval of the NSL for the Smally Interest Garcia #1 located 1800' FSL, 300' FEL, Section 24, Township 31 North, Range 2 East, Rio Arriba County. This is a projected survey because the location is within the unsurveyed TA land grant. This is the third location officially filed for this well and it will be a re-entry.
