Re: Non-Standard Gas Unit
Williams Production Company
Rosa Unit #159
790' FSL, 1850' FEL
Section 19, T31N R5W
Rio Arriba, NM
Blanco Mesa Verde

Dear Mr. LeMay,

This is a request on behalf of Williams Production Company for administrative approval for a non-standard gas unit in the Blanco Mesa Verde pool for the referenced well. The proposed spacing unit is south half of Section 19, T31N, R5W, which is 232.79 acres due to a variation in the legal subdivision of the U.S. Public Land Surveys.

As the Unit Operator of the Rosa Unit, Williams Production is the only offset operator. Attached is a plat indicating the well location and proposed spacing unit.

Thank you for your consideration and approval of this application. If you have any questions please do not hesitate to call upon me.

Sincerely,

Paul C. Thompson, P.E.
President, Walsh Engineering
