Yes Mam,

Please hold the bond on this well.

Dorothy Jacquez sent them a letter March 1999 telling them to file their logs and a subsequent report on this well. I looked in the well and there is no report filed. I will let you know when he files the proper paper work.
again thank you for your help.

In regards to your e-mail to Ernie Bush dated July 12, 1999

Hello Dorothy

I have discussed with Mr. Puff about the well file information not being complete. I informed him we will not release the bond until these wells are in compliance. The work has been done, but the proper paper work has not been filed for approval. I discussed this again with Mr. Puff on Thursday July 8, 1999.

Mr. Puff indicated he will get the proper paper work filed. When the wells are in compliance with the Rules and Regulations we will let you know so you may release the bond.

Thank you for your assistance!
