Edwards Energy Corporation c/o Walsh Engineering and Production Company
7415 East Main
Farmington, NM 87402

Gentlemen:

Enclosed are your Applications for Permit to Drill (APD) for the following wells:

1. No. 1 American Mesa 32, NENE, Sec. 32, T. 31N, R. 4W, Rio Arriba County, NM, lease NM 23044.
2. No. 4 Schalk 33, NESW, Sec. 33, T. 31N, R. 4W, Rio Arriba County, NM, lease NM 23045. *30-039-26193*
3. No. 3 Schalk 33, NENE, Sec. 33, T. 31N, R. 4W, Rio Arriba County, NM, lease NM 23045.

The subject APD is rescinded and returned due to drilling not being commenced within the time frame authorized by either the APD or an extension of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 30 days, we will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

Jim Lovato
Petroleum Engineer,
Petroleum Management Team
