Administrative Order NSL-113

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Rosa Unit Well No. 26-32 to be located 725 feet from the North line and 700 feet from the East line and in the NE/4 NE/4 of Section 32, Township 31 North, Range 5 West, Blanco Mesaverde Gas Pool, Rio Arriba County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NE/4 of said section.

Inasmuch as there are no other effected offset operators, it is possible for immediate approval to be granted. Therefore, by authority granted me under provisions of Section 1 (c) of the Special Rules and Regulations of the Blanco Mesaverde Gas Pool, as set forth in Order R-110 as amended by Order R-397, you are hereby granted an exception to Section 1 (c) of Order R-110 for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
