Dear Mr. Price:

The Communitization Agreement (CA) 14-08-001-1227 for the referenced well was cancelled by the BLM effective January 7, 1994. The action taken by the BLM cancels the approval to produce the well as of that date. The acreage must be consolidated or an NSP obtained before the well can be produced.

If you have any questions, please contact this office.

Yours truly,

Ernie Busch
District Geologist/Deputy Oil & Gas Inspector
