| NOTICE OF INTENTION TO ABANDON WELL            |  |  |

(INDICATE ABOVE BY CHECK MARK NATURE OF REPORT, NOTICE, OR OTHER DATA)

August 29, 1951

Well No. 1 is located 1650 ft. from N line and 1155 ft. from W line of sec. 35

SW 1/4 Sec. 35 30 N 11 W N. M. P. M.  
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)  
Wildcat San Juan New Mexico  
(Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is 5264 ft. (GL)

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

7" 20# Gr H-40  
Set 2209' of Production Casing with 225 sacks of cement. SET AT J.D.  
Drilled out Plug and tested for 2 hours with Halliburton Test Bath.  
Cored to D.T. of 2270'. Preparing to Shoot.

Run Production Casing on August 28, 1951.

After casing set for 72 hours made pressure test with 1,000# no pressure drop in 30 minutes. After Plug was drilled and Halliburton Test was made for water shut-off for 2 hour test, pressure was zero. This form is supported by Chart (Bottom-hole Pressure) by Halliburton.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company Murphy Corporation  
Address Murphy Building  
El Dorado, Arkansas

By W. J. Thornton  
Title Supt.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the company's financial health and for providing reliable information to stakeholders. The document also mentions the need for regular audits to ensure the accuracy of the records.

In addition, the document outlines the responsibilities of the accounting department. It states that the department is responsible for recording all financial transactions, preparing financial statements, and ensuring that all records are up-to-date and accurate. The document also mentions the importance of maintaining proper documentation for all transactions.

The document further discusses the importance of maintaining proper documentation for all transactions. It states that all transactions should be supported by proper documentation, such as invoices, receipts, and contracts. The document also mentions the need for regular reviews of the documentation to ensure its accuracy and completeness.

Finally, the document concludes by emphasizing the importance of maintaining accurate records and proper documentation for the company's financial health. It states that proper record-keeping and documentation are essential for the company's success and for providing reliable information to stakeholders.

The document also mentions the need for regular audits to ensure the accuracy of the records. It states that regular audits are essential for identifying any errors or discrepancies in the records and for ensuring that the records are up-to-date and accurate.
