Gentlemen:

A recent check of our records reveals that you are delinquent an initial deliverability test on your #1 State of New Mexico Gas Unit "B" well in the NW $\frac{1}{4}$ Section 36-30N-10W, Aztec Pictured Cliffs Pool. Since this well is in a prorated pool you are losing allowable for every day the test is late.

We are notifying you of this so that you will know the status of the well and may take whatever action is necessary to bring the well into compliance.

Yours very truly

Emery C. Arnold
