AZTEC, NEW MEXICO

June 1, 1961

Texaco, Inc. Box 3109 Midland, Texas

Attn: Mr. J. J. Velten

Dear Sir:

We have received Notice of Intention to Drill for your State of New Mexico <u>Gas</u> Unit "H" #1 well, located in the NW<sup>1</sup> Section 36-30N-13W.

This well is located within one mile of the present pool boundaries of the Azteč Pictured Cliffs Pool and Oil Commission requirements are that the Pictured Cliffs and Fruitland Formations be covered with cement. It will undoubtedly be necessary that cement be two-staged in order to accomplish this.

We are returning your N<sup>o</sup>tice of Intention to Drill in order that the above amendment may be made.

Yours very truly
