17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Due to economic conditions that exist in the industry currently, repair of a casing leak will be postponed. This well is a candidate for sidetracking pending economics. Please reference Sundry Notice filed on May 15, 1985.
