Re: Montano #1 N-28-30N-12W
McCarty #1 M-28-30N-12W

Dear Norman:

As per your request, you are hereby granted a 90 day extension to the temporarily abandoned status of the referenced wells. T.A. status will expire June 30, 1987.

Also, you need to file forms C-104 showing change of operator as soon as possible.

Yours truly,

A handwritten signature in cursive script, appearing to read "Charles Gholson".

Charles Gholson
Deputy Oil & Gas Inspector
