Santa Fe, New Mexico

Dear Elvis:

I have discussed the BMHS Co., Brown #1 well with Mr. Tom Dugan and I am enclosing a copy of a letter I have written to him about it.

The well has not produced any during the last year or longer and as I understand it, the Club is now getting its gas from Southern Union Gas Co.. It should be carried as temporarily Abandoned in our records until we get it plugged.

I will keep you advised of future developments.

Yours very truly,

Emercy C. Arnold
Supervisor, District #3
